Head of Project  
Management

*"We are very satisfied with the team composition and project execution. We have seen a wide range of technicians from Eryk, and all have had the needed skills for the tasks given. We would like to have the same guys for all Effimat projects in future."*

**Jesper Fauerskov**  
Engineering Manager

*"Eryk supported ABB on offshore projects in the Danish part of the North Sea. With Eryk we are able to scale up and down, whenever it is needed and we have a stable collaboration partner we can rely on. They respect safety rules and are able to work alone on periodical checks of electrical switchboards as well as team up with our technicians."*
